

VACANCY ANNOUNCEMENT

Resource Conservation Technician

The Juniata County Conservation District is currently seeking qualified candidates for the position of Resource Conservation Technician. This position requires a 40-hour workweek.

The Resource Conservation Technician position will work with the District's Dirt, Gravel and Low Volume Road Program (DGLVR) and the Erosion & Sediment Control Program (E&S). Duties include, but are not limited to, work with municipalities in identifying and implementing DGLVR maintenance projects, E&S program duties listed below, and assist landowners with DEP General Permit inquiries.

Duties for the position include, but are not limited to, review of E&S Plans & NPDES Permit applications, perform compliance inspections of E&S project sites, addressing E&S concerns and complaints, initiate voluntary E&S compliance, understand and convey pertinent E&S regulations to the local agricultural and non-agricultural communities, maintain files and prepare progress and inspection reports, and assist with other District programs, education, and training activities as needed.

A degree in environmental studies, agriculture, natural sciences, civil engineering, or a related field or equivalent experience is required. Experience in agriculture, land use planning, nutrient management planning, E&S planning and ArcGIS is preferred. An ability to communicate effectively, both verbally and in writing, a valid driver's license with access to personal vehicle during work hours, and the capability to traverse difficult terrain is necessary.

Hours of employment are Monday through Friday, 8:00 A.M. to 4:30 P.M., with some weekend and evening hours required. The successful candidate will be required to complete Pennsylvania Child Abuse History Clearance and the Pennsylvania Criminal Background Check (PATCH). Inquires can be directed to the district manager at (717) 436-8953, ext. 5.

This listing will remain open until **Friday, May 5, 2023**. Interested candidates should submit an **employment application (available upon request and on website) with salary requirements, cover letter, and resume** to:
